

REMARKS

Claims 1-21 are currently pending. The claims have been amended to eliminate multiple dependencies. Additionally, claim 9 has been amended to provide antecedent basis for the recitation of a "surround." Claims 12 and 19 have been further amended to eliminate parenthetical statements. Claim 20 has been amended to more clearly recite the claimed subject matter, specifically, an injection moulding tool for forming an injection moulded container. Support for the foregoing amendments is found throughout the Specification. No new matter has been added.

In view of the foregoing amendments, Applicant believes the present application is in condition for allowance.
